

Blue System, You Are An Angel

It's a tough, tough world we're living in
Between a man and a woman
Come, close your eyes

There is love, when you're alone
There's no friend, no stepping stone
And your heart is only crying, baby
The wind will fly you home
Blue eyes crying in the rain
Love is like a violin
Oh, I never knew heaven could speak
But I'll promise just my heart

You are an angel, hallelujah
You are an angel, hallelujah
(When a woman loves a man, it's raining hearts
Oh hallelujah, oh hallelujah)
You are an angel, hallelujah
You are an angel, hallelujah
(When a woman loves a man, it's raining hearts
Oh hallelujah, oh hallelujah)
You are only seventeen
There's no friend, no help, it seems
And the guys are only laughing, baby
I promise from my heart
You can run but you can't hide
There's a heart behind your pride
Oh, you're running straight to paradise
When God gives love to you
