

# Blue System, You Are An Angel

It's a tough, tough world we're living in  
Between a man and a woman  
Come, close your eyes

There is love, when you're alone  
There's no friend, no stepping stone  
And your heart is only crying, baby  
The wind will fly you home  
Blue eyes crying in the rain  
Love is like a violin  
Oh, I never knew heaven could speak  
But I'll promise just my heart

You are an angel, hallelujah  
You are an angel, hallelujah  
(When a woman loves a man, it's raining hearts  
Oh hallelujah, oh hallelujah)  
You are an angel, hallelujah  
You are an angel, hallelujah  
(When a woman loves a man, it's raining hearts  
Oh hallelujah, oh hallelujah)  
You are only seventeen  
There's no friend, no help, it seems  
And the guys are only laughing, baby  
I promise from my heart  
You can run but you can't hide  
There's a heart behind your pride  
Oh, you're running straight to paradise  
When God gives love to you
