

Blue, When summer`s gone

(1)

She was the lonely type
Her heart could not disguise
Her passion-for life
She had a love for art
Painted pictures with her heart
She`s one-of the kind
She`s standin` tall
She`s got it all
She`s everything I`m looking for x2

(Pre-chorus)

If you want me like I want you
If you need me like I need you
It`s alright
If you love me like I love you
Let me be the one to hold you
Through the night

(Chorus)

We`ll be walking through leaves
When summer`s gone
We`ll carry on
We`ll be walking through leaves
When summer`s gone
We`ll carry on

(2)

I am a simple man
Take pride in what I am
Got passion-for life
Don`t think I`m like the rest
Wear my heart upon my chest
I try to be kind
She`s standing tall
She`s got it all
She`s everything
I`m looking for x2

(Pre-chorus)

(Chorus)

Somehow I do believe
Some things are meant to be (ooooh)

(Pre-chorus)

(Chorus)
