

Blue, You Make Me Wanna

You know you make me wanna...
You know you make me wanna...

To start it off I know you know me,
to come to think of it, it was only last week
that I had a dream about us, oh
that's why i'm here, i'm writing this song
to tell the truth you know i've been hurting all along,
someday let me know, you want me girl,

everytime you see me what do you see?
I feel like i'm a poor man and you're the queen,
oh baby, you're the only thing that I really need,
baby that's why...

Chorus

You make me wanna call you in the middle of the night
you make me wanna hold you till the morning light
You make me wanna love,
you make me wanna fall,
You make me wanna surrender my soul
I know this is a feeling that I just cant fight,
you're the first and last thing on my mind
You make me wanna love
You make me wanna fall,
You make me wanna surrender my soul

Well I know that these feelings wont end now
they'll just get stronger if I see you again
Baby i'm tired of being friends
I wanna know if you feel the same,
and could you tell me do you feel my pain?
Dont leave me in doubt

Everytime you see me what do you see?
I feel like i'm a poor man an you're the queen
oh baby, you're the only thing that I really need
baby that's why...

Chorus

I'll take you home real quick
sit you down on the couch
pour some Don Perignon and hit the lights out,
Baby we can make sweet love,
then we'll take it nice and slow
Gonna touch you like you've never known before
we're gonna make love ohhh
Chorus(x2)
