

Blueface, BGC

(Island with the cash like Diego)

(Bankroll Got It, haha)

(Julia)

Blueface, baby, yeah, aight

Fuck with me, opportunity of a life

I got bitches at the house, they ready to fight, yeah, aight

No to-go boxes, bring me the check

Legs and thighs, I don't care for the breasts

No kizzy, put these diamonds straight to the test

Young rich nigga got a whole lotta dollars

Bad bitch with me, she a IG model

She won't drink, I ain't got no bottle

Told her get up on her knees, I'ma go full throttle

Shawty get wet when she drive this boat

Shivering when she comes, she ain't got no coat

Got a .44 and this Dior tote

I be all up in her mouth, she ain't got no throat

You niggas better know better

We don't know no better

These records finna break these records

Projected more paper than a pay projector

She got a nigga, but we look better together

I don't know who need to hear this, but, nigga, forget her

You sweating the bitch, I just got her a sweater

Once a good girl go bad forever

Can't get her back, you gotta let her go (Go, go, go)

Hoes only hang with hoes, drive the boat on the road (Road road road road)

Rippin' and running through a bitch stomach

We don't press no charges, bitch, we press a button

Push to start, came from pushing a bucket

Fourth and long, I'm sliding, you niggas punting

I'm pulling a front, you niggas is fronting (Oh, oh)

Young rich nigga got a whole lotta dollars

Bad bitch with me, she a IG model

She won't drink, I ain't got no bottle

Told her get up on her knees, I'ma go full throttle

Shawty get wet when she drive this boat

Shivering when she comes, she ain't got no coat

Got a .44 and this Dior tote

I be all up in her mouth, she ain't got no throat

Throat, throat, throat

G-O-A-T, she fucking a G.O.A.T

You's a yes man, I'm telling her no

Can't control me, I'm not a remote

Control your kids, baby, tell 'em to go

They don't need to know they mama's a ho

That might be why I keep on falling for these hoes

If I want her right now she gon' get on the floor

If I tell her to go she gon' go with the flow

When I walk out the store, they gon' think that I stole

So many bags, we need help to the door (Oh)

I don't be loving these hoes

They try to trap me, I'm never gon' fold

I hit it once then I turn to a ghost

Dunking on cookie and getting the dough

I had a million when I had a fro

Been getting money, this shit getting old

Don't speak on shit that you don't even know

You know how it go
