

# Blueface, No Witness

FBeat producin' all the heat

Ayy, we really trippin'

Pull up on his block and I hope we missin' the children

I just fuck 'em and duck 'em, on my granny, don't deal with feelings

Better stick to the squabble 'cause you niggas ain't with no killing

Stop cappin', nigga

We was pocket packin' and jackin' niggas

Move with all that yappin', full metal jackets for actin' niggas

Forties in my dashes, I catch 'em lackin', I blast a nigga

Tryna ride this wave, on gang, I'm quick to splash a nigga

Big poles, ayy, and we got big MAC's

Knick knacks, that fake ass front you, come get your shit back

Good cooks, nigga, she on that riff raff

Gang in here like a kickback and we all click clack like quick math, ayy

It's forty plus a thirty, lil' birdie, heard you be singin' so I won't show no mercy

Do him dirty, hoes then spotty, we turned him to a jersey

I ain't worried, niggas be really jokes like Charlie Murphy

Rick James, bitch, better have the TooCold

I go crazy, bitch, I'm tryna dodge the group home

He a snitch, he not the homie, I know you told

On my mom, on my pops, I'll never fold

Boy you sober, you don't want no smoke, niggas broke

Pop out, you niggas gettin' poked, niggas slow

I be trickin' and finessin' hoes, gettin' dough

Fuck your bitch but we ain't cuffin' those, nigga

Slide back down that block, leave no witness (Leave no witness)

Fuck with keys but this Glock got extensions (Got extensions)

Bite an apple, yeah I mack on his bitches (On these bitches)

Big blowers, I ain't ridin' with no snitch, nigga (Ain't no snitch, nigga)

Slide back down that block, leave no witness (Leave no witness)

Fuck with keys but this Glock got extensions (Got extensions)

Bite an apple, yeah I mack on his bitches

Big blowers, I ain't ridin' with no snitch, nigga, bitch nigga

Blueface, baby, yeah aight

Reach for this chain, bet this Glock change his mind (On the set)

Big apple mackin', with the action (Big mackin')

Pistol packin', get hit with a stick like I'm playin' Madden

Knock the waves off his cap, I ain't doin' no cappin' (No cappin')

Too paid, big forty knock off a nigga toupée (off a toupée)

Glock with a dick for niggas thinkin' they big bold (Oh, yeah aight)

James in the cut, bounce out with the TooCold (With the TooCold)

Big Glock, get to barkin' like a blue nose (Boom boom boom)

I'm not a stripper but I always gotta keep a pole (Big poles)

Give a bitch a jacket just to do her too cold (So cold)

They gave me twenty-five hundred just to get up close (Bop)

Cutthroat, your pockets empty, we can't kick it if your legs broke (Bleed 'em)

Keep the pussy, baby, I just want the throat (Ooh), yeah

Keep the pussy, baby, I just want the throat

What he say?

Your pockets empty, how we gon' kick it if your legs broke?

On the dead locs (Bop, yeah aight)
