

# Blues Saraceno, If you believe

Are we strong enough?  
Can we make the cut?  
Can we cross the finish line?  
Make it out in time?  
Can we pass the bar?  
Can we make the grade?  
Can we make it on our own?  
Make it all alone?  
Can we pull it off?  
Can we save the day?  
When we start to recognize  
And start to realize  
We can do anything!  
We can be any one  
Just close your eyes and try  
To see  
We can do anything!  
We can be any one  
Just close your eyes and try  
To see  
If you believe  
Believe  
Da da da da da da da da  
Da da da da da da da da  
We can do anything  
We can be any one  
Just close your eyes and try  
To see  
We can do anything!  
We can be any one  
Just close your eyes and try  
To see  
We can do anything!  
We can be any one  
Just close your eyes and try  
To see  
If you believe  
Believe
