Well it's christmastime everybody  
But it's raining in my heart  
Yes it's christmastime everybody  
But it's raining in my heart  
Well you know that I love you baby  
Tell me why must we be apart

Well you told me new year's eve  
That we'd be together christmastime  
Well you told me new year's eve  
That we'd be together at christmastime  
Well it's christmas eve my darling

Will you be here when the bell  
Begins to chime

Okay

What is a ship without a cre-ew  
What is the morning without the de-ew baby  
What's a ship without a cre-ew  
What is the morning without the de-ew baby  
What is my life little darling  
Another lonely christmas  
Without you
