

# Blues Traveler, Dream On

Music & lyrics: John Popper

How can I stay awake when I know that my dreams will be of you  
These moments I spend with you in my slumber are much too few  
There are those who say that I spend too much time with my mind in an unconscious state  
But how can there be harm in your arms in the dreams I create

What is right, what is wrong  
What is poetry and what is song  
Why can't I be left where I belong  
Oh, to dream on, oh to dream on  
Oh, what's sincere  
What is fake  
Why do they fear for my own sake  
What magic rule will I break  
Oh, to dream on, oh, to dream on

It's not a crime, too sublime to imagine a better life than this  
One thought of you and I can't resist  
I don't want to stay in a gray world that is so corrupt  
Sometimes I pray, and I pray that I'll never wake up

What is right, what is wrong  
What is poetry and what is song  
Why can't I be left where I belong  
Oh, to dream on, oh to dream on  
Oh, what's sincere  
What is fake  
Why do they fear for my own sake  
What magic rule will I break  
Oh, to dream on, oh, to dream on

Oh, you know that I want you, so please let me sleep  
In my dreams I will see you, in my dreams we will meet  
In my sleep, love is easy, you know how I care  
But I wake in the morning I and find you're not there  
Come back to the living is what my friends say  
One thought of you washes all of the words away  
And I tell them  
And I tell them  
Why don't you just let me dream on  
Dream on  
Dream on
