

# Blues Traveler, Hi Heeled Sneakers

R. Higgenbotham

Put on your red dress baby  
'cause we goin' out tonight  
Put on your red dress baby  
'cause we goin' out tonight  
Gonna have a great time baby  
In case some fool wanna fight

Put on your hi-heeled sneakers  
And your wig hat on your head  
You heard what I said  
Put on your hi-heeled sneakers

And your wig hat on your head  
You heard what I said  
Gonna have a great time baby  
I know we really gonna knock 'em dead

Put on your hi-heeled sneakers  
'cause we goin' out tonight  
That's right  
Put on your hi-heeled sneakers  
'cause we goin' out tonight  
Gonna bring a shotgun baby  
In case some fool wanna fight
