

Blues Traveler, I Want To Take You Higher

Original Performer: Sly & the Family Stone

Hey! Hey! Hey! Hey!

Music all night
Music's getting longer too
Music is the fire to me
I wanna
I wanna
I wanna take you higher
I wanna take you higher
Baby baby take me higher
I wanna take you higher
Baby baby light my fire

Boomchakalakalaka Boomlaka Boom

Hey! Hey! Hey!

[insert second verse here]

Music is insanity
The sounds [something] you
Music is so good to me
It makes you crazy
Make you crazy
I wanna take you higher
Take you higher
