

Blues Traveler, Severe Infatuation

I will never leave you alone
No matter what you do or say
Don't care if you're away or at home
I will never go away

I cannot get you out of my mind
It's really kind of making me blue
And just as I seem to find
I can't do better than you

It's not like I'm in love
Just severe infatuation
Just severe infatuation

I see you when I'm asleep or awake
The image of you and me
It's getting kind of hard to take
With you is where I want to be
I know it's gonna take some time
For me to get close to you
Wouldn't that be sublime
If that's just what I happened to do

It's not like I'm in love
Just severe infatuation
Just severe infatuation

I will never leave you alone
No matter what you do or say
Don't care if you're away or at home
I will never go away
I know it's gonna take some time
Let me show it to you
But wouldn't it be sublime
I don't know what to do

It's not like I'm in love
Just severe infatuation
Just severe infatuation
