

# Blur, Bang

Sitting in a SDT  
Waiting for an underground trail  
To rumble underneath my teeth  
Bang goes another day  
Where it went I could not say  
Now I'll have to wait another week  
Where all is said and all is done  
What was said was never done  
Don't panic  
It's not really worth your while  
Bang goes another day  
In and out of one ear  
Everybody's doing it so do it too

[chorus]  
I don't need anyone  
But a little love  
Would make things better

Sitting on the early bus  
Passing through the morning rush  
It makes no difference  
That I'm not with you  
Bang goes another year  
In and out of one ear  
Everybody's doing it  
I'll do it too

[Repeat chorus]
