## Blur, Strange news from another star

All I want to be is washed out by the sea No death star over me Won't give me any peace All I want is light relief Put the crazies on the street Give them guns and feed them meat Now shoot the death star down Dig a hole and put it down Thousand miles undergroung [Chorus] They say it's no game There's strange news from another star I'm lost, I'm lost There's strange news from another star Give me all your stuff Until I can't get up Watch the whole world freeze Countig tin can in our sleep I don't believe in me I don't believe in me All I've ever done is tame Will you love me all the same Will you love me though Always the same [repeat chorus]
