

Bo Bice, I'm Gone

I'm gonna give leaving a brand new meaning
Show you how it feels to be alone
I can't find the rhyme within her reason
Guess it's time for me to just move on.

Chorus

Cause I'm gone

I'm gone

I'm gone

Traveling down this lonely road

A friend to the wind and the sky's my home

Traveling down this road yet I'm all alone

But I'm gone

Another coffee smoke-filled Sunday morning
She's in the other room but not at home
I've tried everything to please that woman
The beauty's in the sparkle not the stone

Chorus

But I'm gone

I'm gone

I'm gone

Traveling down this lonely road

A friend to the wind and the sky's my home

Traveling down this road yet I'm all alone

But I'm gone

I don't worry about tomorrow
I find out a mile on down the road

Chorus

That I'm Gone

Traveling down this lonely road

Friend to the wind and the sky's my home

Traveling down this road yet I'm all alone

But I'm gone
