

Bo Bice, Whiskey, Women & Time

I got whiskey, women and time
I've been travelin' down those thin white lines
About ninety miles behind me now and it's gonna be a good ride
I can't wait to get back out on the road
It's the place that I love every time baby don't ya know

Chorus:

I love that whiskey, women and time
Travelin' thin white lines
Love whiskey, women and time
Travelin' thin white lines

Bout ninety miles outta Vegas gonna be a long trip
There've been many times I've stumbled along the way
There've been many times I slipped
I keep comin' up & fallin' down, everything here and in between
Haven't been asleep in so long I know that it feels like a dream this time

(Chorus)

(Solo)

Many times when you see me, you know I'm on the go
Headed to another town, it's time to do another show
Grab a friend if you want, come along, you can join me for the ride
Life should be a journey for your heart; it's in and out like the tide

I've got whiskey, women and time
I've keep travelin' down those thin white lines
Bout a million miles behind me now, feels like a billion miles
I can't wait to get back home and see my momma, my dad my brothers and sisters, all the people t
Baby don't you know, it's good to be back home again

(Chorus x2)

(Solo)
