Bob And Tom, Camel Toe

Your a beautiful girl And your pants are on so tight That when you stand just right I can see it all

When your on the beach And your bikini's soaking wet I see a fuzzy silhouette As i look down below I see your camel toe

Your biscuit, your beavage I see your cooter cleavage Your monkey, your muffin You aint hiddin' nothin' Your coochie, your flapper Your showin' off your snapper

Your camel toe It looks alright so baby let it show Looks like a big taco I see your camel toe (Merci madame, voila le bearded clam)

I could really go For a sideways sloppy joe Or a tuna caserole Baby don't you know

I never thought i'd see So much of your anatomy Your jeans are so tight I'm learning gynecology I see your camel toe

Your (labia?), your vulva
Ooh ya know i love ya
Your (edna?) vagina, nothin' could be finer.
It's furry, it's fluffy, lookin' kinda puffy.
Your camel toe
It looks alright so baby let its show
Looks like a big taco
I see your camel toe
(Merci madame, voila le bearded clam)
