

# Bob And Tom, Wiper Blades

o winters here with all the ice n snow  
n the surly slush upon the road  
the salty spray upon muh window  
makes me wish i replace my wiper blades

(chorus)  
muh wiper wiper wiper blades  
muh wiper wiper wiper blades  
muh wiper wiper wiper blades  
i wish that i'd replace muh wiper blades

salty spray from semi's that do pass  
they turn muh windsheild into bathroom glass  
i turn the knob but i come to the conclusion  
that i did not fill up my washer solution

muh wiper wiper wiper fluid  
muh wiper wiper wiper fluid  
muh wiper wiper wiper fluid  
i wish that id replace muh wiper fluid

(chorus)  
muh wiper wiper wiper blades  
muh wiper wiper wiper blades  
muh wiper wiper wiper blades  
i wish that i'd replace muh wiper blades

down the expressway 80mph  
i can make out headlights, taillights, frosted shapes  
but down by the dash theres a glaring where boat place to scrape  
i can see fine if i lay on the passengers seat

(chorus)  
muh wiper wiper wiper blades  
muh wiper wiper wiper blades  
muh wiper wiper wiper blades  
i wish that i'd replace muh wiper blades

muh wiper wiper wiper blades  
muh wiper wiper wiper blades  
&quot;one time on delay&quot;  
muh wiper.....wiper.....wiper blades  
i wish that i'd replace muh wiper blades
