

# Bob Dylan, Rollin' And Tumblin'

(Bob Dylan)

I rolled and I tumbled, I cried the whole night long  
I rolled and I tumbled, I cried the whole night long  
Woke up this mornin', I must have bet my money wrong

I got troubles so hard, I can't stand the strain  
I got troubles so hard, I can't stand the strain  
Some young lazy slut has charmed away my brains

The landscape is glowin', gleamin' in the golden light of day  
The landscape is glowin', gleamin' in the golden light of day  
I ain't holdin' nothin' back now, I ain't standin' in anybody's way

Well, I did all I know just to keep you off my mind  
Well, I did all I know just to keep you off my mind  
Well, I paid and I paid and my sufferin' heart is always on the line

Well, I get up in the dawn and I go down and lay in the shade  
I get up in the dawn and I go down and lay in the shade  
I ain't nobody's house boy, I ain't nobody's well trained maid

I'm flat out spent, this woman been drivin' me to tears  
I'm flat out spent, this woman she been drivin' me to tears  
This woman so crazy, I swear I ain't gonna touch another one for years

Well, the warm weather's comin' and the buds are on the vine  
The warm weather's comin', the buds are on the vine  
Ain't nothing so depressing as trying to satisfy this woman of mine

I got up this mornin', saw the rising sun return  
Well, I got up this mornin', see the rising sun return  
Sooner or later, you too shall burn

The night's filled with shadows, the years are filled with early doom  
The night is filled with shadows, the years are filled with early doom  
I've been conjuring up all these long dead souls from their crumblin' tombs

Let's forgive each other darlin', let's go down to the greenwood glen  
Let's forgive each other darlin', let's go down to the greenwood glen  
Let's put our heads together now, let's put all old matters to an end

Well, I rolled and I tumbled and I cried the whole night long  
Ah, I rolled and I tumbled and I cried the whole night long  
I woke up this morning, I think I must be traveling wrong
