

# Bob Dylan, You Wanna Ramble

Well I told my baby  
I said &quot;Baby, I know where you been  
Well, I know who you are  
And what league you played in&quot;;  
You wanna ramble  
To the break of dawn  
You wanna ramble  
To the break of dawn  
You wanna ramble  
To the break of dawn.

Well, the night is so empty  
So quit and still  
For only fifteen hundred dollars  
You can have anybody killed  
You wanna ramble  
To the break of dawn  
You wanna ramble  
To the break of dawn  
You wanna ramble  
To the break of dawn.

Well, I told my baby  
Further down the line  
I said, &quot;What happens tomorrow  
Is on your head, not mine&quot;;  
You wanna ramble  
To the break of dawn  
You wanna ramble  
To the break of dawn  
You wanna ramble  
To the break of dawn.
