

# Bob Geldof, The Happy Club

Every morning  
'Bout the break of day  
Every evening  
She comes up and she says  
Na, Na, Na....

She gets up  
Then she goes outside  
She don't know what she does  
But it feels alright  
She says I  
I'm a sunny girl  
Yeah I'm feeling good  
And it's a shiny world  
Well here she comes  
Na, Na, Na....

She feels good  
She feels great today  
When I asked she said  
&quot;Hey, it's the Happy Club way&quot;  
I don't know  
I don't know what to do  
But I know if I could  
Then I would do too  
Na, Na, Na....

I feel great  
I feel fine today  
I joined the Happy Club  
And the Happy Club says  
I feel good  
I feel great today  
Now I know what to say  
Na, Na, Na...
