

Bob Gentry, Goldie Hawn

I was technically a virgin
back when I was 21
I had a pocket full of rubbers
and a pack of bubble gum
I could spit in seven colors
hit the ceiling with each on

I thought I'd be a millionaire
by the age of 25
Then it came and went so fast
before I even blinked an eye
Thought I'd marry me a model
and I'd live a happy life

Gone!
Years have come and gone
But I'm still holdin' on
I wanna always look as young
Just like Goldie Hawn

So, now I'm fightin' with the mirrow
and I'm loosing every match
I was sucker-punched the second
that I tried to turn my back
The years are goin' faster
and they're never gonna last

Gone!
Years have come and gone
But I'm still holdin' on
I wanna always look as young
Just like Goldie Hawn

Years have come and gone
But I'm still holdin' on
I wanna always look as young
Just like Goldie Hawn

I don't need another New Year
'cause it's just another day
I don't want another candle
on my Happy Birthday cake
I don't need to be reminded
that it's gonna end some day

Gone!
Years have come and gone
But I'm still holdin' on
I wanna always look as young
Just like Goldie Hawn

I don't need to figure out
she's just about as pretty as they come
Just like Goldie Hawn

She's young enough to be my girl
and old enough to be my mom
Just like Goldie Hawn

Years have come and gone
But I'm still holdin' on
I wanna always look as young
Just like Goldie Hawn

Years have come and gone
But I'm still holdin' on
I wanna always look as young
Just like Goldie Hawn
