

# Bob Marley, Baby I love your way

Ooh Baby I love your way  
Everyday, yeah  
Shadows grow so long before my eyes,  
and they're moving across the page.  
Suddenly the day turns into night,  
Far away from the city.  
But don't, ho no, hesitate,  
cause your love just won't wait  
Ooh Baby I love your way. Everyday, yeah yeah  
Wanna tell you I love your way. Everyday yeah yeah  
Wanna be with you night and day.  
Moon appears to shine and light the sky  
With the help of some firefly.  
Wonder how they have the power to shine,  
Shine, shine, shine,  
I can see them under the pine.  
But don't, ho no, hesitate,  
cause your love just won't wait  
Ooh baby I love you way. Everyday, yeah yeah  
Wanna tell you I love your way. Everyday, yeah yeah  
I wanna be with you night and day.  
Oh baby, oh baby please,  
Everyday, yeah,  
I will love, I will love ya,  
I love your way, ooh baby, please  
I can see the sunset in your eyes,  
Brown and grey, and blue besides.  
Clouds are stalking islands in the sun.  
I wish I could buy one, out of season.  
Oh don't hesitate, 'cause your love just won't wait  
just won't wait)  
Ooh baby I love your way (every, everyday)  
I wanna tell you I love your way  
I wanna be with you night and day  
(Everyday, every way)  
Ooh baby I love your way  
(Ooh baby, ow, I love your little way)  
I wanna tell I love your way  
I wanna be with you night and day
