

Bob Marley, Chances Are

Chances are we're gonna leave now
Sorry for the victim now
Though my days are filled with sorrow
I see years of pride tomorrow
Chances, chances are some might not hold out
Chances are, hang on right now
Though-oh-oh-oh my-my days are filled with sorrow
I see years of pride tomorrow
Chances, chances are some might not hold out
Chances are, hang on right now
Chances are, oh chances, you're my chances
Chances are, hang on right now
Chances are, hang on right now
Deal with loneliness, I'll take some tear drops
Chances are we'll have to win
Chances are, hang on right now
Chances are, chances are...
