

# Bob Marley, Chances Are

Chances are we're gonna leave now  
Sorry for the victim now  
Though my days are filled with sorrow  
I see years of pride tomorrow  
Chances, chances are some might not hold out  
Chances are, hang on right now  
Though-oh-oh-oh my-my days are filled with sorrow  
I see years of pride tomorrow  
Chances, chances are some might not hold out  
Chances are, hang on right now  
Chances are, oh chances, you're my chances  
Chances are, hang on right now  
Chances are, hang on right now  
Deal with loneliness, I'll take some tear drops  
Chances are we'll have to win  
Chances are, hang on right now  
Chances are, chances are...
