

# Bob Marley & The Wailers, All In One

Bend down low  
Let me tell you what I know now  
Bend down low  
Let me tell you what I know, what I know, what I know

Long time, we no have no nice time  
Doo-yoo-doo-dun-doo, yeah, think about that  
Long, long, long, long time, we no have no nice time  
Doo-yoo-doo-dun-doo, yeah, think about that, mm

One love, one heart  
Let's get together and feel alright  
One love, hear my plea, one heart  
Give thanks and praise to the Lord, and I will feel alright

Simmer down, you lickin' too hot, so  
Simmer down, soon you'll get dropped, so  
Simmer down, man, you hear what I say?

After he  
Breaks your heart  
Then you'll be sad, so sad  
And then your teardrops start  
I tell you, then you'll know how

It hurts to be alone

Oh, what a (... feeling ...), what a feeling (... be blue)  
Oh, what a feeling, oh, what a feeling  
(Oh, what a feeling to be blue)  
Have you ever had a lonesome feeling?

This was cause thru love and affection  
This was cause thru love and affection  
This was cause thru love and affection

Mm, feel them spirit  
I'm gonna put it on  
Feel them spirit  
I'm gonna put it on

Yes, my friend  
We're in the streets again  
Yes, my friend  
Dem set we free again ...
