Craven a go choke puppy
Craven a go choke puppy not
Craven a go choke puppy

Whoa

(wow wow wow wow)

So you want all for yourself alone

(wow wow wow wow)

And you don't think about the other man

(wow wow wow wow)

Let me tell you my friend if you gonna live this life

(wow wow wow wow)

It's not good for you to build strife

Craven a go choke puppy

Can you dig it

(wow wow wow wow)

Want all lose all

(wow wow wow wow)

Then I know the wicked must fall

(wow wow wow wow)

I say want it, want it can't get it

(wow wow wow wow) oh no,

And get it, get it, no want it

(wow wow wow wow)

Oh that's why i say

Craven a go choke puppy

Craven a go choke puppy now

Craven a go choke puppy

Whoa, can you dig it (wow wow wow wow)

Oh yeah (wow wow wow wow)

The craven dog will lose his bone

(wow wow wow wow)

The craven dog

(wow wow wow wow)

The craven dog will lose his bone

(who)

Grafting after something else

(who)

They'll take it for themselves alone

(who)

They don't think about the other man

(who)

The old time people say, want it, want it can't get it

yeah
