

# Bob Marley & The Wailers, Crisis

They say the sun, shines for all  
But in some people world, it never shine at all  
They say love is a stream, that will find its course  
Some people life is a dream  
So they making matters worse

But no matter what the crisis is (repeat)  
Doing it, doing it, doing your thing  
Give JAH all the thanks and praises  
Giving it, giving it, giving it  
Give JAH all the thanks and praises

So much have been said, so little been done  
They still killing, killing the people  
And they having, having, having lots of fun  
Killing the people, having their fun  
They just want to be the leader  
In the house of the rising sun

But no matter what the crisis is (repeat)  
Do your, live it up, live it up, live it up  
Give JAH all the thanks and praises  
Live it up, live it up, live it up, live it up  
Give JAH all the thanks and praises

They say the sun, shines for all  
But in some people's world, it never shines at all  
They say love is a stream, that will find its course,  
And every river runs to sea  
Some people still think life is a dream  
So they making matters worse

No matter what the crisis is (repeat)  
Do it, live it up, live it up, live it up  
Give JAH all the thanks and praises  
Live it up, live it up, live it up, live it up  
Give JAH all the thanks and praises (repeat)  
His mercies endureth for ever yeah  
Give JAH all the thanks and praises (repeat)  
Oh children, come and give JAH  
Give JAH all the thanks and praises (repeat)
