

Bob Marley & The Wailers, Donna

I need you, yes, I need you, Donna)
Donna (I need you, yes, I need you, Donna)
Donna (I need you, yes, I need you, Donna)
Donna (I need you, yes, I need you ...)
You can hear me say that I need you, ooh
And I would like you to be the woman (I need you, yes, I need ...)
Why you treat me this way, I can't understand (I need you, yes, I need ...)
You hear what I've got to say (I need you, yes, I need you, Donna)
No slippin', no slidin', no bumpin', no borin'
Donna came riding to town (I need you, yes, I need you, Donna)
If you follow the race, it's no disgrace
Donna, pick yourself from off the ground (I need you, yes, I need you, Donna)

(I need you, yes, I need you ...)
Donna, I wanna hear you (I need you, yes, I need ...)
Soon come, soon come, soon come (I need you, yes, I need you, Donna)
No slippin', no slidin', no bumpin', no borin'
Donna came riding to town (I need you, yes, I need you, Donna)
If you follow the race, it's no disgrace
Donna, pick yourself from off the ground, say something (... yes, I need ...)
Say something (I need you, yes, I need you ...)
