Bob Marley & The Wailers, Jump Nyabinghi

Love to see, when ya move in
The rhythm, I love to see when
You're dancing from within
It gives great joy to feel
Such sweet togetherness
Everyone's doing, and they're doing their best
It remind I of the days in Jericho
When we trodding down Jericho walls
These are the days when we'll trod through Babylon
Gonna trod until Babylon falls

Sing your song yah!

We've got the herb, we've got the herb

Cause I love to see, when you're dancing from within
It gives great joy to see such sweet togetherness
Cause everyone's doing and they're doing their best
Cause it remind me of the days in Jericho
When we trodding down Jericho walls
These are the days when we'll trod through Babylon
We keep on Trodding until Babylon falls
