

Bob Marley & The Wailers, Kaya

Wake up and turn I loose
Wake up and turn I loose
For the rain is falling

Got to have kaya now, got to have kaya now
Got to have kaya now, for the rain is falling

I feel so high, I even touch the sky
Above the falling rain
I feel so good in my neighborhood
So here I come again

I got to have kaya now, got to have kaya now
I got to have kaya now, for the rain is falling

I feel so high, I even touch the sky
Above the falling rain
I feel so good in my neighborhood
So here I come again

I got to have kaya now, got to have kaya now
I got to have kaya now, for the rain is falling

Get up and turn I loose
Wake up and turn I loose
Wake up and turn I loose for the rain is falling
Well kayaman, kaya, kaya
