

# Bob Marley & The Wailers, Kaya

Wake up and turn I loose  
Wake up and turn I loose  
For the rain is falling

Got to have kaya now, got to have kaya now  
Got to have kaya now, for the rain is falling

I feel so high, I even touch the sky  
Above the falling rain  
I feel so good in my neighborhood  
So here I come again

I got to have kaya now, got to have kaya now  
I got to have kaya now, for the rain is falling

I feel so high, I even touch the sky  
Above the falling rain  
I feel so good in my neighborhood  
So here I come again

I got to have kaya now, got to have kaya now  
I got to have kaya now, for the rain is falling

Get up and turn I loose  
Wake up and turn I loose  
Wake up and turn I loose for the rain is falling  
Well kayaman, kaya, kaya
