

# Bob Marley & The Wailers, Smile Jamaica

Feeling now, feeling down  
This feeling wouldn't leave me alone  
Then I came, the one that said  
Hey Dread, fly Natty Dread

And smile (In Jamaica)  
Want you to smile (In Jamaica)  
Get it to together right now (In Jamaica)  
Get things together right now (In Jamaica)

Soulful town, roots people  
Said I see that you're having fun  
Rockin' to the roots man rocker  
Oh island in the sun

Oh Oh (In Jamaica)  
Want you get it together (In Jamaica)  
Get this together right now (In Jamaica)  
Get this together right now (In Jamaica)

Help the children, help them right  
Oh lord help them decide  
Cast away that evil spell  
Throw some water in the well

Well well well well (In Jamaica)  
C'mon and smile (In Jamaica)  
Get things together right now (In Jamaica)  
Get it together right now (In Jamaica)

Dry your tears, have no fears  
Fly Natty Dread  
Fly Natty Dread

Help, help, help us tonight  
Cast away that evil spell  
Throw some water in the well

Feeling now, feeling down  
This feeling wouldn't leave me alone  
Then it came, the one that said  
Hey Dread, Fly Natty Dread

Dry your tears, have no fears  
Fly Natty Dread

In Jamaica...
