

# Bob Marley & The Wailers, The Heathen

Rise up fallen fighters  
Rise and take your stance again.  
'Cause he who fight and run away  
Live to fight another day.

Chorus

As a man sow, shall he reap  
And I know that talk is cheap.  
So the hotter the battle  
Is the sweeter the victory.

Chorus

Rise up freedom fighters  
Rise and take your stance again.  
'Cause he who fight and run away  
Live to fight another day.
