

# Bob Marley & The Wailers, Zion Train

Zion train is coming our way  
Zion train is coming our way  
Oh people get on-board  
You better get on board  
Thank the Lord, praise Fari  
I gotta catch this train  
Cause thee is no other station  
Then you going in the same direction

Zion train is coming our way  
Zion train is coming our way

Which man can save his brother soul  
Oh man it's just self control  
Don't gain the world and lose your soul  
Wisdom is better than silver and gold  
To the bridge

Oh where there is a will  
There always is a way  
Where there is a way  
Where there is a will, there's always a way

Soul train is coming our way  
Soul train is coming our way

Two thousand years of history  
Could not be wiped away so easily  
Two thousand years of history, black history  
Could not be wiped away so easily

Oh children zion train is coming our way  
Get on board now  
You got a ticket so thank the Lord  
Zion train is, zion train is, zion train is, zion train  
Soul train is coming our way  
Soul train is coming our way
