Bob Marley, Trench town rock

One good thing about music, when it hits you

Feel no pain (repeat)

So hit me with music, hit me with music

Hit me with music, hit me with music now

I got to say trench town rock

I say don't watch that

Trench town rock, big fish or sprat

Trench town rock, you reap what you sow

Trench town rock, and everyone know now

Trench town rock, don't turn your back

Trench town rock, give the slum a try

Trench town rock, never let the children cry

Trench town rock, 'cause you got to tell JAH, JAH

You grooving Kingston 12, grooving, Kingston 12

Grooving woe, woe, it's Kingston 12

Grooving it's Kingston 12

No want you fe galang so

No want you fe galang so

You want come cold I up

But you can't come cold I up

'Cause I'm grooving, yes I'm grooving

I say one good thing, one good thing

When it hits you feel no pain

One good thing about music

When it hits you feel no pain

So hit me with music

Hit me with music now

Hit me with music, hit me with music

Look at that

Trench town rock, I say don't watch that

Trench town rock, if you big fish or sprat

Trench town rock, you reap what you sow

Trench town rock, and everyone know now

Trench town rock, don't turn your back

Trench town rock, give the slum a try

Trench town rock, never let the children cry

Trench town rock, 'cause you got to tell JAH, JAH why

Grooving, grooving, grooving
