

# Bob Seger, Big River

Life is like a big river  
sinkin' or swim, depends on you  
you can take or you can be a giver  
if you got love  
you're gonna get through  
once, a good woman loved me  
kinda cruel, and she left me one day  
now I'm cyin', she loves another  
gotta go alone  
the rest of the way  
take, the advice of a loser  
who's been livin' too long alone  
follow your heart  
follow your rainbow  
and one day you'll find  
you are not alone
