

Bob Seger, Chances Are

Bob Seger
Chances are you'll find me
Somewhere on your road tonight
Seems I always end up driving by
Ever since I've known you
It just seems you're on my way

All the rules of logic don't apply
I long to see you in the night
Be with you 'til morning light

Martina McBride
I remember clearly how you looked
The night we met
I recall your laughter and your smile
I remember how you made me
Feel so at ease
I remember all your grace and your style

And now you're all I long to see
You've come to mean so much to me

Both
Chances are I'll see you somewhere
In my dreams tonight
You'll be smiling like the night we met
Chances are I'll hold you and I'll offer
All I have
You're the only one I can't forget

Bob Seger
Baby you're the best I've ever met

Both
And I'll be dreaming of the future
And hoping you'll be by my side

Bob Seger
And in the morning I'll be longing for the night

Both
For the night
For the night
Chances are I'll see you
Somewhere in my dreams tonight
You'll be smiling like the night we met
Chances are I'll hold you and I'll offer
All I have

You're the only one I can't forget
Baby you're the best I've ever met
