

# Bob Seger, Night Moves

I was a little too tall  
Could've used a few pounds  
Tight pants point hardly renowned  
She was a black-haired beauty with big dark eyes  
And points all her own sitting way up high  
Way up firm and high

Out past the cornfields where the woods got heavy  
Out in the back seat of my '60 Chevy  
Workin' on mysteries without any clues  
Workin' on our night moves  
Tryin' to make some front page drive-in news  
Workin' on our night moves  
In the summertime  
In the sweet summertime

We weren't in love, oh no, far from it  
We weren't searchin' for some pie in the sky summit  
We were just young and restless and bored  
Livin' by the sword  
And we'd steal away every chance we could  
To the backroom, to the alley or the trusty woods  
I used her, she used me  
But neither one cared  
We were gettin' our share  
Workin' on our night moves  
Tryin' to lose the awkward teenage blues  
Workin' on our night moves  
And it was summertime  
Sweet, summertime, summertime

And oh the wonder  
Felt the lightning, yeah  
And waited on the thunder  
Waited on the thunder

I woke last night to the sound of thunder  
How far off I sat and wondered  
Started hummin' a song from 1962  
Ain't it funny how the night moves  
When you just don't seem to have as much to lose  
Strange how the night moves  
With autumn closin' in

mhhh
