

Bob Seger, Old Time Rock And Roll

Just take those old records off the shelf
I sit and listen to 'em by m'self
Today's music ain't got the same soul
I like that old time rock and roll

Don't try to take me to a Disco
You'll never even get me out on the floor
In 10 minutes I'll be late for the door
I like that old time rock and roll

Still like that old time rock and roll
That kinda music just soothes the soul
I reminisce about the days of old
With that old time rock and roll

Don't wanna hear 'em play a Tango
I'd rather hear some blues or funky old soul
There's only one sure way to get me to go
Start playin' old time rock and roll

Call me a relic, call me what'cha will
Say I'm old fashioned, say I'm over the hill
Today's music ain't got the same soul
I like that old time rock and roll

Still like that old time rock and roll
That kinda music just soothes the soul
I reminisce about the days of old
With that old time rock and roll

Still like that old time rock and roll
That kinda music just soothes the soul
I reminisce about the days of old
With that old time rock and roll

Still like that old time rock and roll
That kinda music just soothes the soul
I reminisce about the days of old
With that old time rock and roll

Still like that old time rock and roll
That kinda music just soothes the soul
I reminisce about the days of old
With that old time rock and roll

Still like that old time rock and roll.
