## Bob Seger, Rock & Roll Never Forgets

So you're a little bit older and a lot less bolder Than you used to be So you used to shake 'em down But now you stop and think about your dignity So now sweet sixteens turned thirty-one You get to feelin' weary when the work days done Well all you got to do is get up and into your kicks If you're in a fix Come back baby Rock and roll never forgets You better get yourself a partner Go down to the concert or the local bar Check the local newspapers Chances are you won't have to go too far Yeah the rafters will be ringing cause the beat's so strong The crowd will be swaying and singing along And all you got to do is get in into the mix

If you need a fix
Come back baby
Rock and roll never forgets
Oh the bands still playing it loud and lean
Listen to the guitar player making it scream
All you got to do is just make that scene tonight
Heh tonight

Well now sweet sixteens turned thirty-one
Feel a little tired feeling under the gun
Well all Chuck's children are out there playing his licks
Get into your kicks
Come back baby
Rock 'n Roll never forgets
Said you can come back baby
Rock 'n Roll never forgets
