

Bob Seger, School Teacher

I seen you walkin' every day on your way, school
I seen you talkin' to the children
I seen you talkin' to, ooh yeah
School teacher, yeah

In the boiler beneath the building
And I'm so lonely, I'm lonely, yeah
Go to your parties, goin' to your meeting
You look so busy, are you busy? Yeah

Na na na na na, school teacher
The day goes on so fast, fast, fast
School teacher, yeah
Where ya gonna go last?

Oh yeah, oh yeah, yeah

I'd like to know ya, but I'm a nothin'
And you know somethin', I'd like to know ya, yeah
I'd like to hold ya, I'd like to love ya,
I'd like to know ya, I'd like to know ya, yeah

Oh yeah, oh yeah na, na, na,
School teacher please don't walk on past, past
School teacher, yeah
Where ya gonna go last?
Oh yeah, oh yeah, yeah
