

# Bob Seger, You'll Accompany Me

A gypsey wind is blowin warm tonight  
the sky is starlit and the time is right  
and still your tellin me you have to go  
before you leave there's somethin you should know

yeah  
something you should know babe

I've seen you smilin in the summer sun  
I've seen your long hair flyin when you run  
i've made my mind up that its meant to be  
someday lady you'll accomp'ny me

someday lady you'll acomp'ny me  
out where rivers meet the soundin sea  
your high above me now your wild and free  
oh but someday lady you'll accomp'ny me  
someday lady you'll accomp'ny me yeah

ohh

Some people say that love's a losin game  
you start with fire but you lose the flame.  
the ashes smolder but the warmths soon gone  
you end cold and loneley own your own

Ill take my chances babe i'll risk it all  
i'll win your love or i'll take the fall  
ive made my mind up girl its meant to be,  
someday lady you'll accomp'ny me

someday lady you'll acomp'ny me  
it's written down somewhere its got to be  
your high above flyin wild and free  
oh but someday lady you'll accomp'ny me  
someday lady you'll accomp'ny me yeah

someday lady you'll acomp'ny me  
out where rivers meet the soundin sea  
I feel it in my soul its meat to be  
oh someday lady you'll accomp'ny me  
someday lady you'll accomp'ny me yeah

you will accompany me  
ohh
