

Bob Sinclair, For You

For you,yeah yeah
I wasn't sure I was really looking
for you, yeah yeah
I know I said that I would do anything
for you,yeah yeah
in the end I could not pay the price
for you,yeah yeah
here's little advice

bridge 1:

How could I be wrong ?
you overestimated me
why should I be strong ?
I can do nothing more for you

verse 2:

For you, yeah yeah
I feel so tired I ain't gonna fight
for you, yeah yeah
it was worth a try but we know I ain't right
there're things I could do but I don't think I could die
for you, yeah yeah
don't expect me to cry

bridge 2:

I'm not your kind
I'm not so kind
