

# Bob Sinclair, For You

For you,yeah yeah  
I wasn't sure I was really looking  
for you, yeah yeah  
I know I said that I would do anything  
for you,yeah yeah  
in the end I could not pay the price  
for you,yeah yeah  
here's little advice

bridge 1:

How could I be wrong ?  
you overestimated me  
why should I be strong ?  
I can do nothing more for you

verse 2:

For you, yeah yeah  
I feel so tired I ain't gonna fight  
for you, yeah yeah  
it was worth a try but we know I ain't right  
there're things I could do but I don't think I could die  
for you, yeah yeah  
don't expect me to cry

bridge 2:

I'm not your kind  
I'm not so kind
