

Bob Sinclair, The Beat Goes On

(Chorus:)

The beat goes on
Nothings wrong
With the song
We can singing forever
Hey ! look at me
Im the one
Got to make the connection.

The beat goes on

(Chorus)

Move with a turn
Realize
Its natural progression
Come once again
Feel the past
Share the love
Want to won
We cant know
Share the love
With that feel
The way you clip
Because we know that the beat goes on

The beat goes on
Nothings wrong
With the song
We can singing forever
Love !
Lost and founded
That the beat
Goes on anything later
Now is the time
To be late
Take a (?) action
Eh Look at me
Im the one
Got to make the connection

(Chorus)
