

# Bob Sinclair, Together

Oh yeah we're back now, oh!  
More bad news on the radio  
Planet Earth she's about to explode, yeah  
The stars have lost their shine today  
They have all been blown away  
Together, only hope can be away

Let me hear you say

One day, we'll be together  
We'll never be apart  
One heart, one mind yeah  
One day we'll be together  
Remember this old world is yours and mine (yeah)

See that man with a pen and gun?  
Says it's over for everyone (oh no)  
No I don't believe it's true  
But, I guess it's up to me and you  
Together, we will find a way through

I believe in you

One day, we'll be together  
We'll never be apart  
One heart, one mind yeah  
One day we'll be together  
Remember this old world is yours and mine (yeah)...  
Oh oh oh...
