

Bob Sinclair, World, Hold On

Oh yeah, yeah...

Open up your heart, what do you feel
Open up your heart, what do you feel is real
The big bang may be a million years away
But I can't think of a better time to say

World, hold on

Instead of messing with our future, open up inside

World, hold on

Wonder you will have to answer to the children of the sky

World, hold on

Instead of messing with our future

Tell me no more lies

World, hold on

Wonder you will have to answer to the children of the sky

Children of the sky...

Children of the sky...

Look inside, you'll find a deeper love

The kind that only comes from high above

If you ever meet your inner child, don't cry

Tell them everything is gonna be alright

World, hold on

Instead of messing with our future, open up inside

World, hold on

Wonder you will have to answer to the children of the sky

World, hold on

Come one, everybody in the universe, come on

World, hold on

Wonder you will have to answer to the children of the sky

Children of the sky...

Open up your heart

Tell me, how do you feel

Listen now, tell them everything, right here right now

Alright, everybody, here in the world

You are all the children...

Together now, unite, and fight... ooh

Open up your heart, no, peace, love for everyone

Oh, no no no no no, alright, to the four corners of the world

Sing it loud, sing it loud, sing it loud loud loud

world hold on on

Sing it loud, sing it proud

Everybody, yeah yeah yeah yeah, ooh

Don't take no for an answer, no no, not today

Right here, spread love, everybody join together now

One [race], one heart, love and unity, everybody sing

yeah!

World, hold on

Come one, everybody in the universe, come on

World, hold on

Wonder you will have to answer to the children of the sky

World, hold on

Come one, everybody in the universe, come on

World, hold on

Wonder you will have to answer to the children of the sky
