

# Bob Sinclar, In The Name Of Love

OOH OOH

Rest far

no no no

Its alright its alright

yeah

I wanna hold you

on through that day and on through that night

and when the sun goes down

I'm not gonna kiss you goodnight

'cuz we will be dancing ye

in every street in the name of love

where we live as one

in the name of love

in the name of love

(oh ye ye ye)

in the name of love

(oh ye ye ye)

in the name of love

(oh ye ye ye)

in the name of love

in the name of love

yeah

When that old mob wind blows

in our heart theres a promise of spring

theres not a cloud in the sky

just a will to survive

and we will be dancing

in every street in the name of love

where we live as one

in the name of love

in the name of love

yeah

in the name of love

in the name of love

in the name of love

in the name of love

(ooh ye ye ye)

in the name of love

(ooh ye ye ye)
