

# Bob Sinclar, World, Hold On

Open up your heart, what do you feel  
Open up your heart, what do you feel is real

The big bang may be a million years away  
But I can't think of a better time to say

World, hold on  
Instead of messing with our future, open up inside  
World, hold on  
Wonder you will have to answer to the children of the sky

World, hold on  
Instead of messing with our future  
Tell me no more lies  
World, hold on  
Wonder you will have to answer to the children of the sky

Children of the sky...  
Children of the sky...

Look inside, you'll find a deeper love  
The kind that only comes from high above

If you ever meet your inner child, don't cry  
Tell them everything is gonna be alright

World, hold on  
Instead of messing with our future, open up inside  
World, hold on  
Wonder you will have to answer to the children of the sky

World, hold on  
Come one, everybody in the universe, come on  
World, hold on  
Wonder you will have to answer to the children of the sky

Children of the sky...  
Open up your heart  
Tell me, how do you feel

Listen now, tell them everything, right here right now  
Alright, everybody, here in the world  
You are all the children...

Together now, unite, and fight... ooh  
Open up you heart, no, peace, love for everyone

Oh, no no no no no, alright, to the four corners of the world  
Sing it loud, sing it loud, sing it loud loud loud  
world hold on on

Sing it loud, sing it proud  
Everybody, yeah yeah yeah yeah, ooh  
Don't take no for an answer, no no, not today

Right here, spread love, everybody join together now  
One voice, one heart, love and unity, everybody sing  
yeah!

World, hold on  
Come one, everybody in the universe, come on  
World, hold on  
Wonder you will have to answer to the children of the sky

World, hold on  
Come one, everybody in the universe, come on  
World, hold on  
Wonder you will have to answer to the children of the sky
